Wyland Foundation

Wyland Foundation's 15th Anniversary Holiday Celebration

The Wyland Foundation held its 15th Anniversary Holiday Celebration on December 13 at the Loews Santa Monica Beach Hotel. Co-hosted by actress Jane Seymour and Wyland, the gala focused on the environmental impacts children will face in the next twenty years. Wyland Foundation friends and supporters were joined by Hollywood celebrities for cocktails, dinner and music. Silent and live auctions at the gala event raised funds for the Wyland Foundation's children's education programs. The Wyland Foundation would like to sincerely thank all of you who came out and supported the event!

Clean Water Mobile Learning Center Rolls Through OC

This January, the Wyland Foundation and the Ocean Institute bring the Mobile Learning Center to schools throughout Orange County to inspire students to get involved and make a difference. As part of the tour, Akeena Solar will use solar energy to power the Mobile Learning Center, essentially taking the exhibit off the grid. In combination with its use of bio-diesel fuel, the use of solar energy significantly minimizes its carbon footprint and sets the example of what families in our community can do to conserve energy. For more information on using solar energy to power your home or business, visit www.akeena.net.
