## Partnering for the environment... and giving you a chance to win a Laguna Beach Home or \$1 million!

Wyland and the Wyland Foundation continue to support environmental education and partner with organizations that share our mission like the Ocean Institute. Together, we have inspired millions of kids to protect the ocean through unique art and science experiences. You can support our efforts and have a chance to win either a home in Laguna Beach or \$1 million in cash... but you can't win if you don't enter!

The ocean wins too, as the Wyland Clean Water Mobile Learning Center and the Ocean Institute educate kids to help preserve clean water and all that it touches on the way to the sea. The tickets you buy help keep the truck on the road and the dream alive!

Enter now at [www.ocean-institute.org/raffle/wyland.html](http://www.ocean-institute.org/raffle/wyland.html) for your chance to win a Laguna Beach home or \$1 million cash and hundreds of other prizes. It's a great way to do our part for children, the ocean, and the planet. Thank you for your support and good luck!
